

EMERGENCY Grab & Go Bag FOR PETS

Being prepared so that you and your pets are ready for any emergency will ensure you can act quickly if you need to. An **Emergency Grab and Go Bag** should contain all the essential items your pets need to be cared for and comfortable.

Crates, carriers, cages, or enclosures to contain and easily transport your pet:

Bowls, plus food and water for 3-7 days

Familiar items, i.e. favourite toys

Bedding, heating pad for reptiles

Toileting requirements, including litter trays, bags, etc.

Collar with ID tag, harness, or leash (include backups)

Important documents: registration & vaccination

Medicines, medical records and first aid kit

Current picture of you and your pet together
